Pre selling Tricky Tray tickets was discussed. Everyone agreed putting a flyer in the newsletter or Friday folder as a good idea.

Kim Reber presented 2 ideas. "Knowlton Go" and Book Bingo.

Knowlton Go is a contest idea where students take pictures of our town, an idea prompted from the game, Pokémon Go.

Money will be needed to print & frame the students' photos (16x20 size) All contestants will be displayed in the library. The winning students will be recognized in the Lehigh Valley Live.

Book Bingo is a fun family night. Each child would go home with 2 books. 10-12 volunteers would be needed to run this event successfully. Money is needed from the PTO for purchase of books. The tentative date discussed to run this event is in March during "read across America week." Possibly March 3rd or 10th.

Tricky Tray prizes and layout of tables and chairs was discussed. Lottery tickets are an issue, we cannot have a lottery ticket basket. Mrs. Baker will be informed to use a new theme for her classroom's basket donation.

The previously purchased recess equipment has not been used yet, everyone is anxious to know how the children like the new equipment. Miss Lenox will be presenting it this month and update us as such.

Holiday shopping, and Santa's arrival for the kids, as well as his beard and costume purchase will be addressed at the next meeting. A date has not been set. A new company is being used this year, as last years merchandise was not good enough to want to go with that same company again.

Mixed Bag designs fundraiser will be taking place within the next 2 weeks. All students will be sent home with a catalog packet. Merchandise will arrive before Christmas.
