Mrs. Werner's Classroom News

NOTES

This will be my last Owl News for the school year! Thank you so very much for sharing your amazingly wonderful children with me this year. I will miss them dearly. Also parents, from the bottom of my heart, thank you for your constant support and help throughout the school year. I will miss all of you as well! Please stop back and visit!

WHAT WE ARE LEARNING

ELA: We have learned so many interesting facts about Ben Franklin this week! Did you know that he invented the armonica and is the reason we have post offices and hospitals? It is amazing what one man accomplished in a lifetime! Next week, we'll take our final reading test and then read a few more stories for fun!

Social Studies: The students were enthralled during our Titanic discussions! We are now doing independent research projects to learn additional information that we are curious about! We will finish these up next week!

Math: We have officially completed our math book! We are now moving on to 3rd grade readiness skills! Multiplication and division...here we come!!

UPCOMING EVENTS
