# The Rockin' Rollers Friday Folder News

3rd Grade  Mrs. Wilson

## Last Day Class Breakfast

The third grade classes will combine for a last-day breakfast on June 20th to celebrate a great year. Mrs. Kwasnik and I are **asking each child to bring \$2 by June 9th** that will be used to purchase items for the breakfast. If you have any questions, please feel free to ask. Thanks in advance!

## Math

This week students reviewed elapsed time. They used baking themed task cards to practice figuring out end times in a variety of situations. Then students were given a project in which they had to plan their "dream day." For this project, students had to create a plan for a day that included whatever activities they wanted (as long as it met certain guidelines -no five hour stretch of video games!). They had to develop a schedule of the day, beginning at 8 AM and ending at 8 PM.

## Science/Social Studies

This week in science we worked on food chains and food webs. Students played some food chain games that required them to build food chains and webs. They also read about how otters protect oceans through their role in the food chain. In social studies this week, we discussed businesses and the resources that they need to be successful. Then students created a business plan and an advertisement to go along with it. Finally, we discussed bartering versus currency with a class simulation!

## Reading/Language Arts

This week we began reading *Jake Drake, Know-It-All* in reading and language arts. This is a novel by Andrew Clements, and the pages will count toward the marking period book goal. The due date for the 400 page requirement is Friday, June 9th. Please make sure your child reads and submits book reports on time so that they can participate in our final movie party.

## FYI

\*\*Just Say No Club will have its last meeting and end-of-year party on Thursday, June 8th.

\*\*Ms. Lennox is still looking for volunteers for Color Day on June 14th. If you are interested in helping, please contact Debbie directly.
