

# KINDERGARTEN NEWS

Mrs. Bickhardt's Class  
Room #120  
February 5, 2017

We are getting closer! The 100<sup>th</sup> Day of School is only 6 days away!! I am sure

we will feel the excitement growing each day! Ask your child about all the special things we have been doing. **SCHOOL IS COOL!!! Information will come home today about our service project!**

In reading this week we will complete our 17<sup>th</sup> week. We will work with the sound of "g" and the high frequency words are find, from, but, this, came, and on. In handwriting we will practice z, x, and our last names. In math we will finish up numbers in the teens and do many things to get ready for the 100<sup>th</sup> day, which is Thursday!!!

## Notes of Interest

\*The next Boxtop collection date is Friday, February 16<sup>th</sup>. Please send in any Boxtops you may have. We are off to a great start...I counted over 300 last night!

\* Don't forget that we do not have school on Monday February 19<sup>th</sup>.

\*There will be an early dismissal on Wednesday, March 14<sup>th</sup> for a teacher in-service. Please mark your calendars now! ☺

\*Don't forget to finish Valentine cards this week. You can send them into school starting next week.

Looking ahead to March...

\*March means leprechauns! It is a Knowlton Kindergarten tradition to try to catch as many leprechauns in our school as we can! For homework, your child is to build a trap and bring it to school on March 17<sup>th</sup>. (Please no early arrivals!) This trap can be made of anything you and your child can think of. We will set them up in the morning and see what we catch. Please have your child practice explaining how the trap will work. Children will explain their trap to the class. This is an important skill-before children can write a story; they must be able to tell a story. This is another exciting day in kindergarten!!!
