

KINDERGARTEN NEWS

Mrs. Bickhardt's Class

Room # 120

May 22, 2017

This rest of this newsletter will hopefully tie up a few loose ends. This is the last newsletter of the year. There will be short reminders coming home periodically with information.

We will begin our last lesson in reading next week and finish it the following week. Please remember to have your child reread the readers that have been sent home over the summer. In math we will continue adding, subtracting, and reviewing shapes.

Team Color Day will be on Wednesday, June 14th. On this day the entire school competes in fun activities organized by Miss Lennox. The school is divided into two teams/colors-white and blue. You will find out what team your child is on as the date gets closer. Please dress you child in as much of that color as you can that day. I also suggest your child put on sunscreen before coming to school, and have a water bottle (with your child's name on it) since we will be outside all morning.

As we approach our last weeks of school, I will begin the last round of testing for our report card. We have been working on having some **tie shoes** and some **counting to 100**. Some students could use some extra help at home to accomplish these goals.

One of June 19th, we will have a bubble day. We will be outside doing experiments with bubbles...please dress your child in play clothes. They **MAY** get wet! If your child has any bubble toys they may bring them to school on that day. Please try to label them with their name.

Reminders:

Our Turtle Back Zoo trip is Tuesday! A reminder letter should be in your child's folder.

Since we have air-condition in our classroom can be a little chilly in the morning. Your child will appreciate a sweatshirt or sweater in their backpack as we try to regulate the temperature.

Our Kindergarten Celebration will take place on Friday, June 16th. If you haven't already done so, please RSVP.

June 16th, 19th, and 20th are early dismissal days.

We do not have snack milk in June. Please send in a water bottle or juice box.

Tuesday, May 30th we plan to work in the garden. Please make sure your child does not wear Crocks or sandals on that day. A letter went home on Friday asking for flower donations.
