**Parent/Guardian Consent Form**

We are sending you this parental consent form to both inform you and to request permission for your child's photo/image to be published on the school's web site and/or in local newspapers.

This consent form is used by our webmaster to determine which children have permission for their pictures to be put on the school website. ***We never publish names or any identifiers of children on the site.*** The form is also used to determine which children have permission for their pictures to appear in publicity articles in the local newspapers. During the school year we take pictures of children participating in special activities, walking in the Halloween Parade, working in their classrooms, or of many other special class times. Mostly, we 'stage' pictures to include only children with permission, but in all instances, we check this against our consent list before putting them on the webpage or in publications. In the past, many parents and grandparents have expressed appreciation for the opportunity to see their children/grandchildren taking part in school activities.

As you are aware, there are potential dangers associated with postings on a web site since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as schools do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child. Pursuant to law, we will not release any information without prior written consent from you as parent or guardian. If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the principal of your child's school and such rescission will take effect upon receipt by the school.

If you have any questions regarding the Parental / Guardian Consent Form or our web page practices, please feel free to call Mrs. Garrison [908-475-5118 x422] at the school.
